AQUATHERM

# Decco 62

- 4-chamber system in the purest white
- Gaskets in gray or black resistant to weather conditions
- Glazing: 4 - 32 mm
- The possibility of using straight and rounded slats
- A simple-classic and semi-faced sash profile that gives the window a delicate and gentle shape
- A wide range of wood-like veneers
- The depth of the frame and sash provides excellent stability and thermal and acoustic insulation
- The best solution for corporate facilities.
